# URE

International Conference  
**focus URE! Underpinnings, Requirements, and Effects  
of Undergraduate Research Experiences**  
June 5 – 7, 2019, University of Hohenheim, Stuttgart, Germany

This conference will provide a platform for scientists from various disciplines and countries working on undergraduate research experiences. The aim is to compile and disseminate novel findings and perceptions of URE. Keynote lectures, oral presentations and posters will incorporate theoretical, practical, and methodological perspectives.
